DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The following are corrections to the examiner's answer mailed on 2/28/2007:

The listing of the evidence relied upon contained in the examiner's answer did not include the Kirkpatrick reference US 4197144. "4197144 Kirkpatrick 4-1980" should be included in the listing of the evidence relied upon.

The patent number of the Moslehi reference in page 8 of the examiner's answer is incorrect. The correct patent number of the Moslehi reference is US 5846883.
